Remember...we are masking, social distancing and have sanitation stations available for the health and safety of others. Thank you.

Church Family,

I don't know about you, but I am certainly ready for warmer weather and for things to start to look "normal" again. I know that planning is hard to do in our current times, but now *is* a time of year when many of you begin making plans for the summer. With that in mind, please be sure to mark these dates on your calendar for Summer 2021. I am both hopeful and prayerful that these events will be able to take place. If you have a child who can participate, you can already contact me to sign up for either event. If you have an interest in volunteering, I would love to hear from you. But no matter your physical involvement or lack thereof, I ask that you would, even now, begin to participate in the work that God will do in these ministries by praying for just that. Pray that no matter what our summer may look like, the hearts and lives of our church's children and our ministry volunteers would be drawn closer to the Lord, for His glory and the expansion of His kingdom.

Through Grace Alone,

Caitlin Braud
